General Instructions

A code review in accordance with the adopted model Building Code will be performed by a Certified Plans Examiner upon receipt of completed application and the required construction drawings noted above. Reviews are conducted in the order they are received. A detailed list of comments (if applicable) will be forwarded to the applicant. The submitted construction drawings will be retained by **PCS** Three (3) sets of revised construction documents (if required) as well as a corresponding response to the comments shall be submitted for a re-review. The construction drawings will only be stamped " Approved " when all code violations are corrected.

Note: The review fee includes an initial review and (1) re-review of the revised drawings. A fee in the amount of 50% of the original fee will be charged if a Third review is required. The " Approved " construction documents will not be released for permitting until all invoices are paid in full.
